

APPENDIX - B

CERTIFICATION

The Public Service Regulation requires that "...the president or officer of each utility with direct responsibility for overseeing the inspection program shall provide an annual certification to the Commission that the utility has inspected the necessary percentage and portion of its electric facilities and equipment.

"Name" makes oath and says: I am the "Title" of the "name of municipality". I am familiar with the Inspection Program performed annually and the various program procedures and forms assembled to complete this confirmation. I certify the program records are true and correct to the best of my knowledge and belief. As to elements not directly stated upon my knowledge, the source of my information and the grounds for my belief are as follows: ... the departments various operational reports, repair orders, and work schedule.
